

“Cladribine improves lung cysts and pulmonary function in a child with histiocytosis.” Ralph Epaud, Hubert Ducou Le Pointe, Sylvie Fasola, Sandra Ploussard, Celine Delestrain, Chiara Sileo and Jean Donadieu. *Eur Respir J* 2015; 45: 831–833.

Unfortunately, a production error in the above article meant that the incorrect shareline (short abstract) was presented alongside the main text of the article in the March 2015 issue of the *European Respiratory Journal*. The first version published “in press” on November 13, 2014, had the correct shareline. The final online version of the article has been corrected and published with the original short abstract:
